## **AMENDMENT**

Sir:

In response to the Office action of July 7, 2004, please amend the above-identified application as follows:

## In the claims:

Please amend claim 1 as follows:

- 1. (Amended)An assembly, comprising:
- (a) an apparatus, comprising;
  - (i) a frame mounted within an exterior wall of structure below an escape opening.
  - (ii) a hinged door pivotally attached to the frame, wherein the door pivots away from the wall from a closed position wherein the door when fully open is essentially horizontal. When in the open position or in use position the movement is restricted to no greater than
